1930 and '31 Under Eight of the Country's
Most Noted Cattle Judges.*

A Study of Shorthorn Character

HELFRED FARMS THIRD ANNUAL SHORTHORN PRODUCTION SALE

How to Get to Helfred Farms

The above map shows the location of Helfred Farms from Des Moines.

Parties coming in by motor from the south over Highway 65 can turn off on the Army Post Road just south of Des Moines and drive directly west to the farm. This is a good gravel road. Watch for the big sign indicating the location of the farm on No. 65. Coming in from the north, follow West Grand Avenue west on Route 90 to town of Commerce. There will also be signs there indicating the route to the farm. The same applies to parties coming in over Highways Nos. 6 or 7. We shall endeavor to have road signs so placed at these strategic points that strangers will have no trouble finding their way to the farm.

Come early and inspect the cattle before the sale begins. Lunch on the farm at 12:00 o'clock, served by the ladies of one of our community churches. Sale begins at one o'clock.

WATCH FOR THE ROAD SIGNS

Announcement

The year 1935 has been a good one for agriculture in Iowa and in the Corn Belt generally. Our cattle have done particularly well and every animal in this sale would have made a good show if it had been entered. Those that we did show have made a creditable record. Their winnings are shown in footnotes under their pedigrees.

This, our third annual sale, will be held at Helfred Farms on Saturday, November 2, 1935. We invite you to come to the sale and suggest that you come early in the day so that you may make selections before the sale starts. We know that if you buy now that your purchase will prove profitable because prices of good Shorthorns are advancing and these cattle are of the type and breeding to produce the best.

HELFRED FARMS.

Chas. Garden, Manager

F. W. Hubbell, Owner

Terms and Conditions

All bulls are guaranteed to be breeders if not allowed to run with the herd. All females over 16 months of age on sale day are guaranteed to be breeders. The herd is federally accredited to be free from T.B. and has passed a negative abortion test. These cattle are sold subject to a sixty day retest for tuberculosis and to comply with the health requirements of any state into which they are to be shipped. The failure of any animal to meet this guarantee must be reported within sixty days of the date of the sale.

Certificates of registry and transfers of ownership as well as applications for registry for calves sold in dam, will be furnished to buyers free of charge.

Cattle will be loaded free of charge on the Rock Island at Commerce or Chicago and Great Western at Orillia. All animals at owner's risk when bid off but reasonable care will be taken to prevent any accident.

The sale will be held in our sale pavilion on the farm, starting at one o'clock. Parties from a distance are requested to stop at Hotel Kirkwood, sale headquarters in Des Moines, from which place transportation will be furnished to and from the farm on sale day. Lunch will be served on the farm at noon by ladies of the Commerce Methodist Church.

Terms: cash.

Auctioneer: N. G. Kraschel, Scotty Milne.

Mail bids may be sent in care of Helfred Farms, Rt. 6, Des Moines, to Will Johnson of the Shorthorn World; J. E. Halsey and Matt White of Wallaces' Farmer; Frank Richards of The Corn Belt Dailies or to F. W. Harding, Secretary of The American Shorthorn Breeders' Association.

Helfred Farm Productions In Wide Demand

Helfred Farms will hold their third annual sale at a time when the cattle industry has a brighter future than at any other time in the past decade. It is the policy of this establishment to sell only such cattle as are a credit to the breed and that will create a good impression for their productions. Because of this policy one may feel safe in buying at this sale.

Cattle that have been sold at previous Helfred Farms sales have proven to be profitable investments for their purchasers. Herds from California and Washington on the west to Maine on the east, from Canada to the Gulf are using bulls bred at Helfred Farms with most satisfactory results.

In this sale will be found the best cattle ever to leave Helfred Farms. Study this catalog, the pictures, the pedigrees and the footnotes. You will realize that in this sale are to be found cattle of the best type, of the highest quality, with the most impressive character and of the best breeding that can be found in any auction.

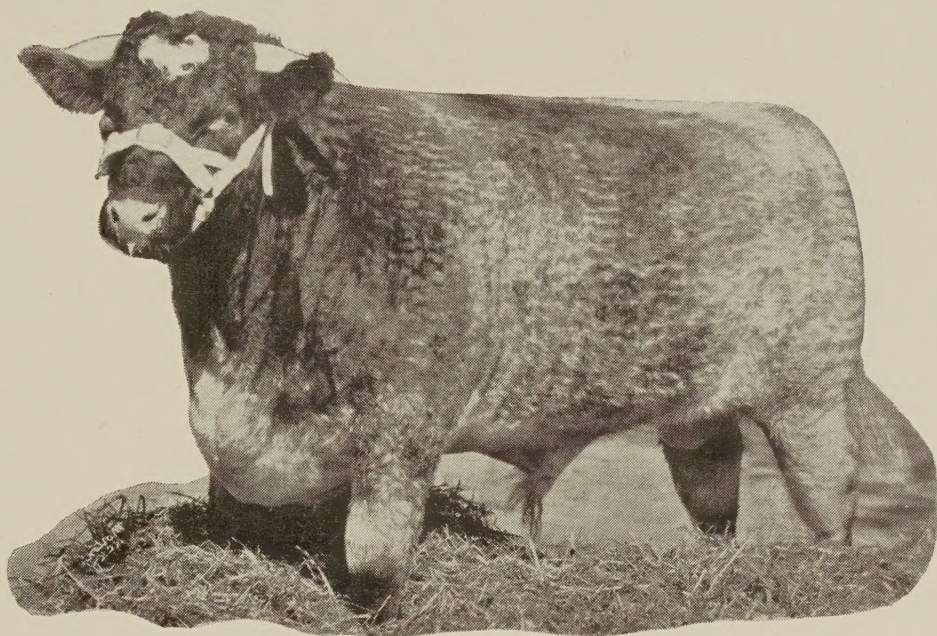

In the three previous sales held by this establishment every animal has been exactly as represented and there has not been a single claim that the cattle are not as guaranteed. It will be the same with the cattle bought at this sale. Helfred Farms cattle may be bought without any guarantee because it is the policy of the owner and manager to make satisfied customers and you will be satisfied with your purchases made in this sale.

Study this catalog—attend the sale and buy the cattle. You may be sure of getting the best obtainable, bred from the best stock of the breed, and that will breed the best.

WILL JOHNSON of the Shorthorn World.

HELFRD FARMS THIRD ANNUAL SHORTHORN PRODUCTION SALE

FASCINATOR 1766812

Grand Champion Iowa State Fair, 1934.

Herd Bull

For Reference Only

FASCINATOR 1766812

Roan, calved Oct. 10, 1933. Bred by Hopley Stock Farm, Atlantic, Iowa. Calved property of F. W. Hubbell, Des Moines, Iowa.
